

WEST OXFORDSHIRE LEARNING PARTNERSHIP

Dear Parent / Carer,

Apprenticeship Fair – Thursday 30 March 2017 at 6pm

At this time of year students in Year 11 and the Sixth Form will be seriously considering their future career pathways. An increasingly popular option for consideration is the apprenticeship pathway which provides the opportunity to gain a recognised qualification even leading to a degree and develop professional skills, whilst earning a salary, supported by some of the UK's best companies.

The West Oxfordshire Learning Partnership would like to invite you to its latest apprenticeship event, being held at The Marlborough C of E School, Shipton Road, Woodstock, OX20 1LP from 6.00pm on Thursday 30 March. This will be an excellent opportunity to explore the apprenticeship application process and engage with prospective employers, many of whom are recruiting apprentices for 2017 entry.

The evening will start with a presentation led by Melanie Ringer, Skills Officer from Oxfordshire Apprenticeships. Claire Wardle from Oxford University Hospitals, NHS Foundation Trust will talk about apprenticeships from an employer's point of view, with tips and hints on how to apply and a number of Apprenticeship Ambassadors will be describing their experiences so far.

This presentation will take place at 6.00pm and it is advisable to book your place via your School Co-ordinator in advance as demand is usually high. Following the presentation, you will then have the chance to explore the vast range of opportunities available.

In the large trade stand area there will be over 45 exhibitors, training providers and colleges who will be happy to talk to you about the many apprenticeships on offer, and advise you on all areas of careers. Employers attending include Blenheim Palace, Darke & Taylor, BMW Mini Plant, University of Oxford, Airbus Helicopters, Fisher Studios, Clarkson Evans, the Armed Forces, The Engineering Trust and many, many more.

To book to attend this event, please complete the slip below and return to Mrs K King at Wood Green School, or email k.king@wgsnitney.org.uk

We look forward to welcoming you on the 30th.

Yours faithfully,

Sharon Whittaker
Destinations Coordinator & MEC Manager at The Marlborough C of E School
