

Bursary Application Form 2016

Adviza has created a bursary scheme to cover the total cost of some of our service for young people (and their parents) who are not in receipt of our contracted services and who would not be in a position to pay for those services directly. This bursary also covers adults not able to get a service for free from the National Careers Service. If you are over 19 and require a guidance session please ring our contact centre on 0333 006 2966 to see if you can get this service free. The psychometric assessments sessions require payment or a bursary.

To be eligible for a bursary you must:

Be a young person aged 13 to 19 (or up to 25 if you have a Learning Difficulty or Disability) who is not eligible for contracted services

- **AND** be facing economic disadvantage or from a low income family (evidence of household income of £26,000 gross per annum or below may be requested at a later stage)
- **AND** Live in, or be attending school or college in, Adviza's geographic coverage (Berkshire, Buckinghamshire, Oxfordshire, Swindon, Wiltshire and Gloucestershire)

The funds will cover distinct activities:

- Psychometric testing (Morrisby Traditional assessment at a cost of £99 or Morrisby Online assessment for £70)

Please note all bursaries awarded are at the company's discretion and are dependent on available funds. If you would like to apply please complete the application form overleaf.
