Dear Parents and Carers

I am writing to invite you to an evening event at school on Thursday 26th November from 6.30-8pm. The purpose of the evening is to give parents an opportunity to contribute to our vision for Wood Green School.

I held a similar event two years ago shortly after I arrived at Wood Green, and I found this was a very useful way to hear your views as parents. I feel this is the perfect time to do this again, as we move forward from our last 'Good' Ofsted inspection and make plans for improving the school further. We face a time of enormous change in terms of curriculum, exams, finance and the way schools are managed. However in a wonderful school like ours it is important that we continue to plan for the developments that we want as a community.

During the evening I will talk about areas that I think are important and ask for your feedback on these. You will also have the chance to contribute your ideas for moving the school even further forward. There will be an opportunity to discuss these ideas with governors, staff and other parents. The parent body at Wood Green is incredibly supportive of the school and I value your ideas.

As space is limited, this particular event is for parents/carers only and we do need to know numbers.

If you would like to attend please could you email the school on headteacher@wgswitney.org.uk, or if you prefer, print and return the reply slip to the school office via your son/daughter's Tutor.

I very much look forward to seeing you at the event.

Yours sincerely

Mr RW Shadbolt
