

Dear Parents and Carers

Following the successful performance of the Senior Choir at the Witney Citizen of the Year Awards Evening last year, the choir has been asked to perform again.

The date this year is Friday 3rd March and it will be at The Corn Exchange. This is a highly prestigious event and therefore an honour to be invited back.

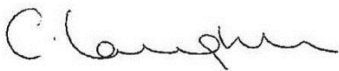

The evening begins at 7pm and, after the formal opening of the evening, the choir will perform for 20 minutes.

I would ask that all performers arrive at 6.45 in full concert dress. I will confirm the exact timings once they are made clear to me. I envisage that the students will be free to leave by 8.30pm and would ask that transport home should be provided.

I hope that you will feel that your child can support this event and would be kind enough to complete the permission form below.

Should you have any questions regarding this performance, please do not hesitate to contact me at school.

Thank you for your continued support.
