Parents/Carers of Year 13 Students

Dear Parents/Carers

As you will be aware, one of priorities for the last and this current academic year has been to improve the communication between ourselves, the school, and parents. One area that parents wished to have more clarification on was our Review system. In my many conversations with parents (and via the PTA), it is clear that there is some confusion regarding Estimated Final Grades, Challenge Grades and ALPS etc.

To help bring some clarity to the above issue, I will be running an 'Information Evening: A Guide to the Wood Green Review System'. This will take place on Wednesday 8 October, 6.00pm - 7.00pm in the Sixth Form Common Room. The evening will involve a small presentation explaining the language we use, how we arrive at Challenge Grades, the replacement of the Learning Behaviours and how you know if your son/daughter is making 'good progress'. There will then be an opportunity for questions and answers.

I very much hope you will be able to attend and look forward to seeing you there.

Yours faithfully

Mrs Carolyn Whiting
Assistant Headteacher/Head of Sixth Form
