

# WGS School Uniform - Acceptable Styles Guide

As a school we feel that uniform is important as it helps young people with their feeling of belonging to our Wood Green community. We believe that young people should be free from the pressures of having to wear designer labels at school and parents should be free from having to buy them. Uniform helps all our students be equals in our community.

Our uniform is practical, hard wearing and, as far as possible, reasonably priced. We want students to come to school in professional looking uniform so that they are in the mind-set that Wood Green is a place to work hard and succeed. We would therefore ask for your cooperation in making sure that the guidelines on style and colour are followed when buying your child's uniform.

The following pages have specific guidance on what styles are and are not acceptable for shoes, trousers and skirts.

## School Trousers

Please find listed the acceptable uniform styles for trousers which have been agreed as suitable to wear to school in order for them to be compliant with our uniform policy.

The trousers listed are deemed to be appropriate for school as they are plain black and professional looking.

We do not believe it is appropriate for students to wear trousers with the label 'Miss Sexy' on them. Skin tight trousers are also not acceptable. The list below is not exhaustive but gives examples of acceptable styles. **If in doubt, please check with us.**

## School shoes:

School shoes should be plain black, leather or leather style shoes without any brand name anywhere on them. No trainers, plimsolls, dolly shoes or high heels are allowed as they are either not appropriate for the British weather or are fashion items.

There should be no branded sportswear name on any shoes. This means no Converse, Vans, Lonsdale, Adidas, Nike or any other branded sports/leisure wear leather trainer. Velcro fastening shoes must have no sportswear logo. **This year, we will not allow Converse, Vans or any other type of trainer with the labels removed.**

The examples above are not meant to present an exhaustive list but should go some way to making it clear what styles are acceptable.

Similarly, the examples below show what are not acceptable, with or without labels. Please make sure your child does not wear shoes like these, or similar styles as these are no longer allowed in any form.

**School is the final arbiter of the suitability of any item of clothing and footwear.**

**The school reserves the right to challenge pupils who do not wear the correct uniform and to inform parents immediately.**
