

June 2016

Dear Parents and Carers

As you may be aware, one of the teachers' trade unions, the NUT, has confirmed that its members will be taking strike action on **Tuesday, 5<sup>th</sup> July 2016** as part of its campaign to persuade the Secretary of State for Education to protect pay and working conditions in all state funded schools and to increase inadequate funding levels to improve and protect pay and working conditions. The dispute is not with the school but part of a national campaign that this trade union is involved in with the government. At this stage we do not know how this will affect the school and this letter is therefore to forewarn you that there may be some disruption. I will write to you next week with further information about how the industrial action will affect Wood Green School.

Yours sincerely

Mr R Shadbolt
