

July 2014

Dear Parents/Carers

Temporary Change to Uniform Sales and Reduced Prices – Please check stock availability below or by contacting the Finance Office

As of 7/7/14 there is also available to purchase limited stocks of old style rugby tops (black/green version) priced at £5 each in sizes 26/28, 30/32, 34/36, 38/40, 42/44.

After consultation with our uniform supplier and careful consideration by the School a decision has been made to introduce the new school logo onto items of uniform from September 2014 over a phased period. The change will be made to the green items only at this stage i.e. green polo shirts, sweatshirts and cardigans. The PE uniform will be reviewed at a later stage. In order to make this transition as easy and cost effective as possible for all concerned the new logo items will be compulsory for the year 7 students only from September 2014 onwards. All existing students (year 8 upwards from September 14) may continue to wear their current uniform style and replace this when necessary. Stock is still available with the existing logo and we have negotiated a heavily discounted price with our supplier for these items until the new style is fully introduced. **Discounted items are now available to purchase in school while stocks last.**

If you wish to take advantage of these discounted prices please complete the reply slip below indicating the number and sizes required and return to the Finance Office with payment in a named envelope. Orders will be made up and students notified when they are ready for collection. During this period online sales will only be available for PE Kit and non-compulsory items. Full online sales will resume a few days prior to the year 7 intake evening in July.

Please note we are only able to offer these prices while existing stock lasts, after which sales will be available online at the full price. If you have any queries please do not hesitate to contact the Finance Office on 01993 899525/899529 who will be able to help.

Yours sincerely
