Dear Parents/Carers

Re: Year 10 – End of Year Review

The end of year review for Year 10 will be released on Parent Insight and will be available to view online on Thursday 14th May in the afternoon.

In line with our Eco School commitments we would like to reduce our impact on the environment and would ask, therefore, that you view your child’s review on Parent Insight. However, if you are unable to access the online system and would like to receive a paper copy of the report please complete the slip below and return to your child’s form tutor by Friday 8th May. Paper reviews will be issued on Friday 15th May.

Here is a link to our Insight system: <http://wgswitney.org.uk/portals> please check that you can access the system. The user name is usually your email address and you can reset your password if you need to by entering your email address in the ‘forgotten password’ field. If you do not know your user name please contact the office and they can help you access the system.

Yours sincerely

Ms E D’arcy
Head of Wychwood Upper School

Mrs J Willett
Head of Cornbury Upper School
