

October 2014

Dear Parents/Carers,

Year 11 Subject Evening

As a school we have been working hard over the past twelve months at improving communication between ourselves and parents. Hence we have decided to run two parents' evenings this year for parents of students in Year 11; **Thursday 16 October 2014 and Thursday 22 January 2015.**

We would like to invite you to the first of the above meetings. This is a particularly important meeting as it is an opportunity to get timely advice from subject teachers concerning the forthcoming GCSE mock examinations and how your son/daughter can best prepare for them over the coming weeks.

During the next week, your son or daughter should make appointments with the teachers you wish to see. Each appointment will be for five minutes. You should aim to see all of your child's GCSE teachers, so please list their names on the attached sheet and then your child can fill in the appointments on the booking form. The more flexible you are prepared to be with the time you are available, the easier it will be for us to arrange your appointments with the minimum of waiting.

The meeting will be held in the Main Hall and the Restaurant and, if you are travelling by car, you will be directed appropriately for parking.

Please note, we are also running a "Positively Mad" session between 4.00 – 4.45 pm on the same day, for those Y11 parents wishing to find out more about revision techniques and study skills that their children will have been learning about earlier in the day. If you wish to attend this session, please indicate this either by emailing Ms D'Arcy at the school office (see details below) or by completing and returning the attached reply slip to the office. Please remember to book your appointments with subject teachers accordingly, taking the above-mentioned "Positively Mad" timing into account.

Should you have any questions regarding this evening, please contact your child's tutor.

Yours faithfully,

Ms E D'Arcy
Head of Wychwood Upper School

Mrs J Willett
Head of Cornbury Upper School
