Dear Parents/Carers

Re: Year 11 Review 1 for 2014-15

Further to our recent letter regarding this year's new approach to Y11 Subject/Parents' Evenings, we are pleased to enclose your son/daughter's first Year 11 Review. As you will know from our previous correspondence, we plan to hold two Year 11 Subject Evenings in the course of this academic year, with Reviews 1 and 2 being issued immediately prior to each Parents' Evening.

We would like to take this opportunity to briefly outline some of the changes which have been made to the review system at Wood Green School. Our aim is to improve the quality and type of information which you, as parents, will receive from us about your child's progress throughout the year. To that end, we have replaced the Learning Behaviours used over the past few years with **Attitudes to Learning**. These are:

- | | |
|--|--|
| <ul style="list-style-type: none"> • Behaviour • Classwork • Homework | <ul style="list-style-type: none"> • Organisation • Punctuality <ol style="list-style-type: none"> 1 Consistently behaves appropriately 2 Usually behaves appropriately 3 Occasionally behaves appropriately 4 Rarely behaves appropriately. |
|--|--|

Each of these Attitudes to Learning will be reported on a four-point numerical scale:-

To further understand the review structure, please do visit the school's website and watch a short video which will give some more insights into the information given on your child's Review. The link for this can be found on the home page. Should you have any questions regarding our new Review process, please do not hesitate to contact Mr Askew at d.askew@wgsnitney.org.uk

We would like to remind you of the "Positively Mad" session running between 4.00 – 4.45 pm on Thursday, for those of you who wish to find out more about revision techniques and study skills that your children will have been learning about earlier in the day.

Please return the reply slip below to your child's Form Tutor by Friday, 17th October to acknowledge receipt of Review 1.

Yours faithfully
