

March 2015

Dear Parents/Carers and Students

As in previous years we would like to offer an Easter Revision school to all year 11 students to help them prepare for their GCSE exams this summer. The sessions will run on Monday 30th March, Tuesday 31st March and Wednesday 1st April. This letter outlines the subjects we are able to offer and when we are able to offer them. There is of course no compulsion for students to attend but students who have attended in the past have said the sessions were beneficial.

The sessions will be limited to a certain number of students. To aid this, students are encouraged to sign up to the revision session they would like to attend. Each department will have signup sheets available.

If there is insufficient interest in a particular session the session may have to be cancelled.

Students will need to provide their own lunch and snacks as the Restaurant will not be open.

The site team has requested that only certain areas of the school are open during the three days and as such the room allocations will be confirmed on the day. I anticipate that Art, Maths and Science sessions will run in their area of the school and all other sessions will run in the N Block.

The students should also ensure that they bring relevant equipment such as pens and a work pad to all sessions and any specific resources to aid their revision including calculators and revision guides.

All the information in this letter can be found via the Woody intranet. Please follow the Easter revision link where you will find the timetable attached to this letter and it will also be emailed to parents.

We look forward to seeing lots of students taking up this opportunity.

Miss C Groves
Assistant Head, Wychwood Upper
Co-ordinator of Easter Revision School

	Monday 30 th March	Tuesday 31 st March	Wednesday 1 st April
