

Dear Parent/Carer,

We have an exciting opportunity for year 7 students to undertake an “Introduction to Latin” course. The course will run for 10 weeks and will take place after school on a Wednesday for one hour each week 1.50pm-2.50pm starting Wednesday 24 February. The class will be taken by Angela Bywater, a private Latin tutor, and there will be a nominal charge, subsidised by the school, of £3.00 per week. Should you be unable to meet the cost and would like to apply for financial assistance please let me know.

Studying Latin provides students with an understanding of the structure of language and speech. This is invaluable both in the learning of other languages and improving your own English. The course will include grammar and parts of speech. The course on offer should spark a student’s interest and the content give them a solid foundation for the study of Latin. The roles words play in English sentences will be examined and through the course students will experience a new way of looking at sentence structure. Students will practice identifying parts of speech in English sentences and will analyse the roles they are playing. Through this the foundations will be set for basic Latin translation. The study of Latin words explains where many English words originated and helps build a broader vocabulary.

Minimal materials will be required. Students will need a binder and half a dozen plastic pocket protectors for reference sheets. Students will write their own vocabulary flashcards which can be made from blank notecards.

If you would like your son/daughter to take part in the “Introduction to Latin” course please complete the reply slip below and return it to your son/daughter’s tutor by Tuesday 2 February. If you have any questions about the course please contact me at school.

Yours sincerely,

Mrs R B Stevens

Deputy Headteacher
