

February 2017

Dear

RE: YEAR 9 SUBJECT EVENING: Thursday, 9th March 2017

We have now started the process which will eventually lead to xxxxxx choosing some of the subjects they will follow in Years 10 and 11 with the Year 9 Options information evening on 22nd February 2017. Your child will also have been discussing this with their tutor and in Enrichment lessons during Term 3.

The next stage is to give you more specific information about xxxxx's potential in their optional subjects as well as in the compulsory core areas of English, Mathematics and Science. The non-core subjects being offered to current Year 9 students include:

Design Technology	-> Product Design, Food Preparation and Nutrition
Creative Arts	-> Art & Design, Drama, Graphics, Music
Humanities	-> Geography, History, Religious Studies
Modern Languages	-> French and German
Additional Options	-> Business Studies, Computer Science, Health and Social Care, Horticulture, Physical Education

To this end, we would like to invite you to a subject teachers' meeting on the evening of **Thursday, 9th March 2017**. During the next few days, xxxxx should make appointments with the teachers you wish to see. Each appointment will be for five minutes, and you must allow five minutes between appointments. Please list the names of the teachers you want to see on page 18 of your child's Homework Diary ('Student Booking Form'). The more flexible you are prepared to be with the time you are available, the easier it will be for us to arrange your appointments with the minimum of waiting.

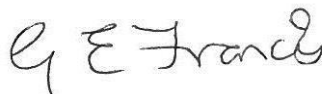

The meetings will be held in the main hall and the restaurant. If you are travelling by car, please park in the Visitors' Car Park or on the playground area beyond the swimming pool.

Should you have any questions concerning this event, please contact xxxxx's form tutor, xxxxxx.

Yours faithfully

Mr S Hart
Head of Cornbury Middle School

Miss G Francis
Head of Wychwood Middle School
