

Green School Safeguarding Objectives 2021-22

Objective	Completed by	Lead	Intended Outcome	Progress – January 2022	Sept 2022 Summary
Create an environment and system in which everyone feels safe to call out sexual harassment. All staff have a clearer and fuller understanding of what sexual harassment is and know their role should they see or experience it.	July 2022	GEF/DJA	To be delivered during staff and support staff meetings		
To continue to ensure WGS has evidence of robust safer recruitment procedures for alternative provision offers	July 2022	HAD	All alternative providers have on record submitted details of DBS checks and safeguarding procedures for their organisation		
To review existing monitoring systems for off-site learning in terms of safeguarding, attendance and progress	July 2022	HAD	Students enrolled at WGS but receiving education off-site in agreed and approved provision area are accounted for and their progress and welfare is monitored	New AP link has been appointed (Hayley Dobson). All policies of providers are being gathered and scrutinised. We have a small number of students who have some home learning (by agreement) and safeguarding provision needs clarification. Take advice on best practice and continue this year.	
To ensure that our record keeping safeguarding system can include recording activity relating to students who have left the school	Jan 2022	GEF/RB	To ensure that a physical file is kept for those students who were pre-CURA and have left the school but interaction still continues.		

To continue to improve provision to “sight” students who are not attending school regularly	March 2022	GEF	All students who are not attending school regularly are sighted at least weekly and according to agreement made within contract with parents set by HoY or lead professional. Sightings to be completed by SG team or external agencies	Appointment of new PSW post will increase capacity to liaise with families at home.	
To improve staff awareness through regular INSET & training via staff meetings and other portals to include: <ul style="list-style-type: none"> • dealing with disclosures • signs and symptoms of abuse • Prevent Awareness training • On line conduct for staff • Child exploitation • Physical intervention • Dealing with disclosures 	July 2022	GEF/DJA	To be delivered during staff and support staff meetings	Staff training delivered in November to refresh staff of how to deal with disclosures. Both support and teaching	
To embed a new system to improve our ability to record, respond to and monitor sexual harassment disclosures at Wood Green	July 2022	GEF	WGS has robust fit-for-purpose system for recording and monitoring and reporting on safeguarding. This will also include a policy to be used by all. Ensure staff, students and parent/careers are able to understand and report sexual harassment concerns
