

1 July 2016

Dear Students, Parents and Carers,

In the Sixth Form, we are very keen to ensure that all students receive the best, impartial information and guidance regarding the next steps beyond A levels, whether it be applying to university or moving into an apprenticeship. To this end, I am delighted to be able to offer you the opportunity to purchase a copy of the comprehensive Apply 2016 University and Career Guide for Sixth Formers, published by the company Pure Potential. The 150 page magazine offers good advice on choosing universities, the process of student finance, studying abroad, making the most of gap years, work experience, job interviews, and gives specific information on getting into careers in fields such as Law, Healthcare and Engineering. Of particular use is the section on completing UCAS personal statements.

Usually the guide costs £7.00; however, we are able to purchase this at the discounted price of £3.00 for students of Wood Green.

If you would like to buy a copy of this, please complete the slip below, along with £3.00, and return this to the Finance Office by Monday 11th July. We will process the order on this date once all payments have been received.

Kind regards,

Mr M. Armstrong
Assistant Head of Sixth Form
Wood Green School

Please return to the Finance Office by Monday 11th July.
