Dear Parent / Carer,

Apprenticeship Information Event – Thursday 14th April at 6pm

At this time of year students in Years 10,11 and the Sixth Form will be seriously considering their future career pathways. An increasingly popular option for consideration is the apprenticeship pathway which provides the opportunity to gain a recognised qualification even leading to a degree and develop professional skills, whilst earning a salary, supported by some of the UK's best companies.

The West Oxfordshire Learning Partnership would like to invite you to its second area apprenticeship event, being held at The Marlborough C of E School, Woodstock, OX20 1LP from 6pm on Thursday 14th April. This will be an excellent opportunity to explore the apprenticeship process and engage with prospective employers.

There will be presentations led by Melanie Ringer, Skills Officer from Oxfordshire Apprenticeships, Clive Shepherd Apprenticeship Coordinator for University of Oxford and also Apprenticeship Ambassadors who will be describing their experiences so far.

This presentation will run at 7.15pm giving you time to explore the vast range of opportunities within the trade stand area. It is advisable to book your place via your School Co-ordinator in advance as demand for places is usually high.

Within the large trade stand area with over 40 exhibitors, there will be opportunity to talk to many employers with apprenticeships on offer, training providers and colleges who will be able to advise you on all areas of careers. Employers attending include Darke & Taylor, BMW Mini Plant, Wellars Accountants, University of Oxford, Airbus Helicopters, Clarkson Evans, Owen Mumford, Air Tanker, the Armed Forces, Electric Hair, The Engineering Trust and many more.

To book to attend this event, please complete the slip below and return to Mrs K King (Careers Coordinator), or email careers@wgsnitney.org.uk.

We look forward to welcoming you to this information event.

Yours faithfully,

Sharon Whittaker
