

March 2016

Dear Parents/Carers and Students

As in previous years we would like to offer an Easter Revision school to all Year 11 students to help them prepare for their GCSE exams this summer. The sessions will run on **Tuesday 29th March, Wednesday 30th March and Thursday 31st March**. The time table for the session is an additional document on the school intranet site. Please follow the Easter revision link to view it. There is, of course, no compulsion for students to attend but students who have attended in the past have said the sessions were beneficial. Some of these sessions this year have been designed to be invitation only. You will be contacted by the department and your son/daughter will receive notice of whether they are required to attend these sessions by a relevant member of staff.

The sessions will be limited to a certain number of students. To aid this, students are encouraged to sign up to the revision session they would like to attend. Each department will have signup sheets available and students will be directed to them by staff.

If there is insufficient interest in a particular session the session may have to be cancelled.

Students will need to provide their own lunch, snacks and drinks as the Restaurant will not be open.

The students should also ensure that they bring relevant equipment such as pens and a work pad to all session and any specific resources to aid their revision, including calculators and revision guides.

All the information in this letter can be found via the school intranet. Please follow the Easter revision link where you will find the timetable.

We look forward to seeing lots of students taking up this opportunity.

Miss C Groves
Head of Wychwood Upper
Co-ordinator of Easter Revision School
