WGS Year 7, Year 8, Year 9 and Year 10 Bacallaureate Year Award 2020/21

Dear Parents/Carers,

We continue to value our WGS Bacallaureate and are encouraging our students to complete their hours within the areas of Wellbeing, Nurture and Skill. We know that the current situation means that, once again, we are having to be creative with how our students can complete activities that will go towards their WGS Bacallaureate Year Award or Key Stage Award. Please find attached some ideas that can be used by students, and we hope that some of these ideas will also help with their own wellbeing too. Remember you can refer to the website for more information about the WGS Bacallaureate.

Best wishes

Miss Francis (Head of Year 7)

Mr McNally (Lead tutor for Year 8)

Miss Billington (Head of Year 9)

Miss Dobson (Head of Year 10)
