

7 July 2015

Dear Parents, Carers, and Students,

Wood Green is currently in the process of reviewing its Gifted and Talented policy. I am keen to involve the whole school in this process, and with this in mind, I will be running an Information Exchange Evening on Monday 13 July, from 6 pm to 7 pm in the Sixth Form Common Room. There will be a short presentation followed by a question and answer session. If you want to learn more about our changes to our provision, or your child is already on the Gifted and Talented register, then this evening is for you.

We are interested to hear your views. These could be related to:

- ways of identifying G&T learners
- celebrating achievement and promoting a whole-school ethos
- links with home and how we keep parents of G&T students informed
- G&T activities and programmes the school can provide
- the ways we monitor the progress of G&T students
- suggestions for G&T resources and expertise in the local area

If you are unable to join us for the Information Evening, you are welcome to get in touch through the school office with any comments or questions you might have.

I very much hope you will be able to attend and I look forward to seeing you on 13 July. If you have any questions in the meantime, please do not hesitate to contact me e.anderson@wgsnitney.org.uk.

Yours sincerely,

Mr E Anderson
Gifted and Talented Coordinator
