Dear Parent/Carer

Thank you for your overwhelming support of our drive to improve the state of the uniform at Wood Green.

As Mr Shadbolt and I stated in our joint letter, the uniform has not been “uniform” for a while, and together with Henry Box School, we have been working with local suppliers and parents to ensure there is a clarity around what is acceptable wear for school.

To aid that clarity we sent a letter and “poster” indicating the expectations we have for uniform from September. This is now available on the school website or via this link: <http://wgswitney.org.uk/uniform>

The students have also been reminded in tutor time and in assemblies and local stores are aware of what is Wood Green acceptable uniform. Given all these factors we are confident that there will be very few problems over uniform in September and that all efforts can be focused on ensuring our teachers are able to teach and our students are able to learn. Please contact your child’s tutor if you anticipate any difficulties with ensuring that your child is in correct uniform in September

Thank you again for your support. If I do not get the opportunity again, I would like to wish you and your family a very good and safe summer.

With best wishes

Mr M A Bonsell
Director of Learning Communities
