

December 2014

Attn Parents of Years 12 and 13 Students

Dear Parents/Carers

Mock Examination Week

I would like to take this opportunity to let you know about the forthcoming mock examinations.

We are running an AS and A2 mock examinations week from Monday 12 – 16 January. Please find the information booklet and timetable enclosed with this letter, for you and your son/daughter to refer to.

We feel that practice examinations are extremely important to all students, before the real ones in the summer. We aim to make these valid and realistic for all students and for this reason there will be no lessons, assembly or registration during that week. Mock examinations will also be taking place at The Henry Box School in the same week, for students taking a subject there.

Examination results will be given out formally on Monday 9 February at lunch time in the Sixth Form Common Room.

The mock results will be the actual result of the examination taken and may not reflect the Estimated Final Grade. I hope that this will give us an accurate benchmark of your son/daughter's progress, which means that we, and they, can plan accurate and focused interventions based on objective information.

Students will be able to update each one of their personal learning checklists and concentrate on the sections of the curriculum, or the skills that require extra work before the summer.

Thank you once again for your continued support and as always, should you have any questions, please feel free to contact any of us here at school.

Yours sincerely

Mrs C Whiting
Head of Sixth Form/Assistant Headteacher
