

PE Kit – Year 7 -11

In September 2016 we introduced a new PE kit to go with our new school uniform. The new kit is optional for students in years 7-11 as it is acceptable to continue wearing the old-style kit if you already have it. The new kit can be purchased from SWI; details of how to do this can be found on our website. There will no longer be old-style PE kit to purchase via SWI but the school will hold some items of the old-style kit. These can be purchased from the school through Parentpay while stocks last, after which replacements will need to be purchased in the new style.

Green/black vapour polo with WGS Logo *

Boys pro-Tec reversible rugby shirt *
