A Level Preparation - French

GRAMMAR:

An essential skill to be able to master is French grammar.

There are lots of interactive exercises to practise your knowledge of French grammar here: <https://www.languagesonline.org.uk/Hotpotatoes/frenchindex.html#Grammar>

Work through the exercises and create yourself a little grammar guide to each aspect of French grammar. This will be useful to refer to when you begin in Year 12

Once you have worked through these exercises there is a set of grammar work to complete

An understanding of verbs in different tenses is really important to get to grips with using the language independently.

Please complete the following selection of the work on verbs as a minimum:

Question 1, 5a, 5b, 7-16, 17-20.

As an extension, you can work through the rest of the pack of work.

Bonne chance!
