Dear Parents/Carers

The attached booklet entitled 'Relationship Education and Sex Education' (RESE) is being sent to you following Government guidance on this aspect of education. It is the Governors' responsibility to make and keep up to date a written statement of their RESE policy and make it available to parents.

We would be pleased to receive your comments about any aspect of Relationship Education and Sex Education as described in this booklet as we value your views and co-operation on this important part of the curriculum.

If you would like to make any comments, please complete the form on the last page of the booklet.

Yours sincerely
