

Dear Parent/Carer

**Science Club – Starting Monday 16<sup>th</sup> January, 2017**

Your child has expressed an interest in our Key Stage 3 Science Club. This will be held every Monday in S2 after school from 3.15 – 4.15pm.

The Club will involve all interested students in years 7 and 8. This is an opportunity for students to carry out scientific investigations and extend their knowledge in an enjoyable environment, and to do exciting practical activities that are outside of the normal syllabus and open up the wonderful mysteries of science. The Club will be run by fully qualified Science teachers.

If you are happy for your child to take part in Science Club each week then please fill in the attached reply slip and return it to any member of the science department.

Many thanks

Mr C.A.Curtis.  
Science Teacher
