

Wood Green School

A guide to school uniform for students in year 7

As a school we feel that uniform is important as it helps young people with their feeling of belonging to our Wood Green community. We believe that young people should be free from the pressures of having to wear designer labels at school and parents should be free from having to buy them. Uniform helps all our students to be equal in our community.

Our uniform is practical, hard wearing and, as far as possible, reasonably priced. We want students to come to school in professional looking uniform so that they are in the mind-set that Wood Green is a place to work hard and succeed. We would therefore ask for your cooperation in making sure that the guidelines on style and colour are followed when buying your child's uniform.

Main school uniform

- *School Tie** Broad stripe
- White Shirt:** Long sleeve white shirt. Shirts should be tucked into skirts and trousers as this promotes the professional appearance we expect from our students.
- *Black V-neck Wood Green School Jumper**
- Jackets/
Coats** Jackets and coats should provide protection from the British weather, should not have obvious writing on (fashion labels, brand names) and be of a colour so as to support our expectations for students to be smart, professional and ready to learn.
Hooded tops are not permitted as they do not provide adequate protection from the elements. Denim jackets are also not permitted. Hooded tops and denim jackets will be confiscated from students and parents will be asked to collect them from the main office.
- Trousers:** Trousers should be a tailored plain black design. This means no jeans or trousers with jeans features such as rivet details or jean like stitching. Leggings, cargo pants, chinos or tracksuit bottoms are also not allowed.
- Skirts** Skirts should be a tailored plain black design. This means that skirts that are very short and/or very tight are not acceptable for school. Material should not be stretch jersey as this does not promote a professional appearance.

For detailed guidance on acceptable uniform styles, please see the uniform page on our website in the Information Section.

School is the final arbiter of the suitability of any item of clothing and footwear.
