

## Wood Green School

### Election of Parent Governor, 10<sup>th</sup> June 2021

The Wood Green School Governing Body is looking to recruit a new Parent Governor. To be eligible to stand for election as a parent governor you must have parental responsibility for a pupil at the school.\* We want our governing body to be representative of the community we serve and so if you are interested and believe you can make a difference please consider joining us.

We are particularly looking for a new member with knowledge of Health and Safety, SEND or Safeguarding/Student Welfare to strengthen the representation within the Governing Body but this is not a requirement of appointment.

The Governors play an important role in setting the strategic direction of the school as well as monitoring progress and work closely with the Headteacher and the School Leadership Team. More information about the role and commitment can be found on the school website at <http://wgswitney.org.uk/governors>.

If you are interested in joining the Governing Body, please email Tracey Mills, Clerk to the Governing Body ([clerk.gov@wgswitney.org.uk](mailto:clerk.gov@wgswitney.org.uk)). You will need to send your expression of interest and a brief summary of your relevant skills/experience (maximum of 100 words) by **Friday 18<sup>th</sup> June (3pm)**.

If we receive more expressions of interest than there are vacancies, an election will be held with all parents/carers eligible to vote. There will be no requirement to come into school for this process as the process will be conducted online (as per the last round of recruitment).

Please think about taking on the role or suggesting someone who will do it well. We need committed parent governors to make the governing body as effective as it can be.

Yours sincerely,

John Bhogal, Chair of Governors

*\* Parents who work at the school for 500 hours or more in any twelve month period (any parent who is paid to work more than 12.5 hours per week at the school) are not eligible to be parent governors but they are eligible to vote in parent governor elections.*
