WGS Message: Covid Vaccination: additional catch-up opportunity from Oxford Health NHS Foundation Trust for students in Year 8-11

Dear Parents/Carers

Our vaccination in-school days for years 8-11 have now concluded. Although take-up locally has been above the national average, the Oxford NHS Foundation Trust would still like to ensure that people who still would like a vaccine but who missed the opportunity in school can obtain one. Attached to this email is a letter informing you of a pilot Covid Catch-Up clinic running **this week** at the Kassam Stadium. This is only available to years 8-11. You will need to give consent and then book an appointment. Details are in the letter attached.

The vaccination Catch-Up Programme is being organised by Oxford Health – NHS Foundation Trust. Please contact them with any questions about this rather than the school.

Best wishes
WGS Office
