

Dear Parents/Carers and Students

WGS Newsletter (06) Vaccination Update (22/09/2021)

Yesterday I wrote to you with some information about the Covid vaccination being offered at school to all students in year 8 to year 11. I am writing today to share the information about the Flu vaccinations. The Flu vaccine is being offered to all students from **Year 7 to Year 11**.

The letters about the two vaccines are being sent separately so that parents can decide about whether or not they wish their child to have each of the vaccines. Attached to this letter is an information letter about the Flu vaccine and also information on how to give parental consent for this vaccine, or how to inform the organisers that you do not wish your child to have it.

The vaccination programme is being organised by the School-aged Immunisation team (SIA). Please do contact SIA with any questions about the vaccination programme rather than the school.

SIA will be in Wood Green School to administer vaccinations on the days given below. Parents/carers are asked to ensure that they have responded to the consent form by the date shown in the final column.

Year group	Day for Influenza Vaccination	Deadline for completing the return regarding consent or no consent
7, 8 and 9	Friday 1 st October	Wednesday 29 th September
10 and 11	Monday 18 th October	Thursday 14 th October

You now have all the information regarding the Flu vaccine.

In the next few days we will send out separately the information about giving consent or otherwise for the Covid vaccine.

Yours sincerely

Mr R Shadbolt
Headteacher
