

Dear Parents/Carers

WGS Newsletter (09) Covid and Flu Vaccinations Update for Years 10 -11 (07/10/2021)

Please find attached two letters from the School-aged Immunisation Team (SAI) that provide consent information for the Covid and Flu vaccinations. Please note that separate consent has to be given for each vaccination. If you have already given consent, you do not need to complete this request again.

SAI will be in Wood Green School to administer vaccinations on the Monday 18th October 2021. Parents/carers are asked to ensure that they have responded to the consent forms by the date shown in the final column.

Year group	Day for Covid Vaccination	Deadline for completing the return regarding consent
10 and 11	Monday 18 th October	Thursday 14 th October

The vaccination programme is being organised by the School-aged Immunisation team (SAI). Please do contact SAI with any questions about the vaccination programme rather than the school.

Yours sincerely

Mr R Shadbolt
Headteacher
