

Dear Parents/Carers

### **WGS Newsletter (18) Covid Vaccination Update for Years 8-11 (12/01/2022)**

We have been contacted by Oxford Health NHS Trust to inform us that they will be offering a second Covid vaccination for 12-15 year olds in school on Thursday 27<sup>th</sup> January and Thursday 3<sup>rd</sup> February. This is only relevant to students in years 8-11. A letter to all families with a child in years 8-11 is attached to this email. It is worded assuming that everyone has had a first vaccination. However, we know this is not the case.

If your child had a first vaccination and you would like them to have the second dose at school, please complete the consent form linked in their letter. You do have to give consent again.

If your child has not yet had a Covid vaccination, but you would like them to have a first one at school, you can use this opportunity. Please complete the consent form linked in their letter.

If you do not want your child to take up this opportunity, you do not need to do anything. The vaccination is voluntary.

Once the Immunisation Team have the list of consents they will organise the vaccinations over the two days allocated to Wood Green. At this stage we do not know which year groups will be vaccinated on which day.

If you have any questions relating to the Covid-19 vaccine please call 119 or email [bobcovid.schoolimmsqueries@nhs.net](mailto:bobcovid.schoolimmsqueries@nhs.net)

Yours sincerely

Mr R Shadbolt  
Headteacher
