IT Hub - Painting working party this weekend

Over the last year the school has converted a group of classrooms into a new IT Hub. We are planning to paint the new IT Hub this weekend (17th and 18th July) and could do with some help from our parent/carer community.

The PTA are kindly coordinating this effort. If you are happy to come along to school and volunteer for a two hour slot this weekend to help us paint, please follow the link below and let us know when suits you and the PTA will get in touch with further details.

Summer Concert

Having had to cancel the live school summer concert after the extension to Covid restrictions, the music team have made videos of all of our ensembles performing. We are therefore holding a Virtual Summer Concert next Tuesday, 20th July, at 7pm. This will be streamed via Teams and the link will be sent out in the next few days. We hope that you will be able to join us from home and celebrate the excellent achievements of our musicians.

Yours sincerely

Mr R Shadbolt
