

10 January 2022

Dear Parent/ Carer

GCSE February Assessments 2022

I am writing to you to give you further information on the GCSE assessments taking place this February. The exams will run from Monday 14th to Friday 18th February (last week of the term) and from Monday 28th February to Friday 4th March (first week back after the break).

These assessments are run as close as possible to the public summer exams, so it is important your child is aware of JCQ and Wood Green School exam regulations. I will be visiting each Year 11 tutor group to speak to students, and all relevant information can be found on the Exams page of Wood Green Website under Learning. I recommend that you and your child(ren) look at these documents to ensure they are aware of exam regulations and the support that is available.

One of the JCQ regulations is that students must have a transparent pencil case or (sandwich) bag for any stationery needed. An exams stationery pack is available from Resources at a cost of £2.45. If your child requires one and you need financial assistance, please contact the Finance Team directly (FinanceOffice@wgsnitney.org.uk). Calculators are also available at a cost of £8.50.

Please can you also ensure candidates have a clear water bottle with no labels and ideally a sports lid (to avoid damage to exam papers due to spillage).

Exam Timetables will be available soon and can be accessed on Student InSight. Again, it is important your child(ren) check(s) that their timetable is correct (ie they have been entered for all the subjects they study and not for any subjects they don't). If you or they have any questions, please do not hesitate to contact me by telephone (01993 702355), email (l.nutt@wgsnitney.org) or students can find me in my office on the A block corridor.

Yours sincerely

Louisa Nutt
Exams Manager
