Dear Parents/Carers

Work with Parents Day

You may be aware of the Government initiative, 'Work with Parents' which is an opportunity for students to spend a day with their parents at their place of work. It is believed that students can gain real insights by being in a position to see how the worlds of industry, commerce and business work on a daily basis.

The day is scheduled for Thursday 8th June 2017 and we hope as many Year 8 students as possible will be able to experience the world of work.

If you are able to take your son/daughter to work or arrange a suitable placement with a relative or close friend, please could you complete the reply slip below, detailing where your son/daughter will spend the day and return to your child's form tutor by Wednesday 24th May 2017. As I am sure you will understand, students can only be absent from school if you are taking responsibility for them for the day. We appreciate that this may not be possible for all students and if this is the case, students will be required to attend school as usual.

Yours sincerely
