

April 2015

Dear Parents/Carers

During Charities Week, 27th April – 1st May 2015, each year group will be doing some fund raising for our chosen charities Cancer and Mind, and the Vukani School South Africa.

Years 7 and 8 are organising a sponsored walk around the school field. This will take place on Wednesday 29th April 2015 from 2.00pm until 3.00pm and will be followed by the 'gunging' of two students.

On this day students taking part will be late home and they will need to organise their own way home at the end of the day.

Please complete the reply slip below to give permission for your son/daughter to take part in this event and return it to their form tutor by Friday 24th April 2015.

Many thanks,

Mr G Davies
